Image-2

The image shows a Joomla! website interface. At the top, there is a dark blue banner with the Joomla! logo and the text "Joomla! Open Source Content Management". A green diagonal banner in the top right corner says "We are volunteers!". Below the banner, the page is divided into a left sidebar and a main content area. The sidebar contains a "CB Login" section with a greeting "Hi, business", a cartoon elephant profile picture, a "Select Language" dropdown menu, and a "Log out" button. Below this is a "CB Menu" section with links for "GroupJive", "Activity", and "Users". The main content area features an article titled "Harnessing the energy when freshwater meets the sea". Above the article title is a meta-information bar: "Category: Business Community | Published: Monday, 26 October 2015 11:44 | Written by hvadmin | Hits: 6". The article includes a large image of a river flowing into the ocean, framed by green trees. To the right of the image, the text reads: "River meets sea (stock image). Harnessing the energy created from salinity gradients -- for example, when freshwater meets the sea -- could provide a renewable source of power". Below the text is a "Read more ..." button. At the bottom right of the article, there is a link titled "Drought, Urbanization and Climate: Big Business Opportunities for".
