

I installed CB Antispam

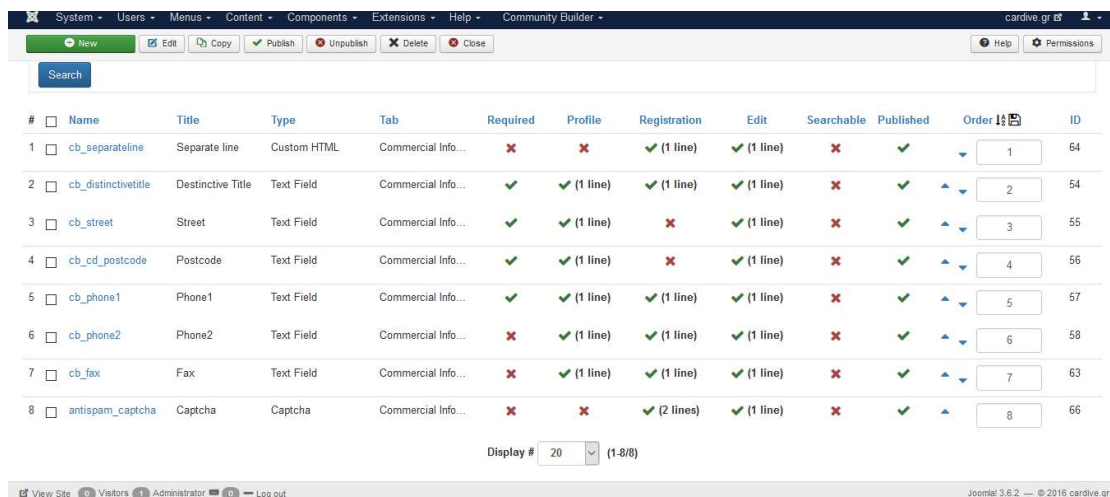

The screenshot shows the Joomla! Community Builder extension manager interface. A blue arrow points to the 'CB Antispam' extension, which is listed as installed (green checkmarks) and published. The extension details include version 2.0.0+build.201..., author 'Public user', and a download count of 512. Below the list, there are buttons for 'Blocks', 'Whitelists', 'Attempts', and 'Logs'. The footer shows 'Joomla! 3.6.2 - © 2016 cardive.gr'.

I Define ReCaptcha Keys

The screenshot shows the Joomla! Community Builder configuration page for ReCaptcha. A blue arrow points to the 'reCaptcha' tab. The configuration includes: Site Key (6Lc2pgYTA...), Secret Key (6Lc2pgYTA...), Theme (Light), Size (Normal), and Language (Greek). The footer contains the same Joomla! version and copyright information as the previous screenshot.

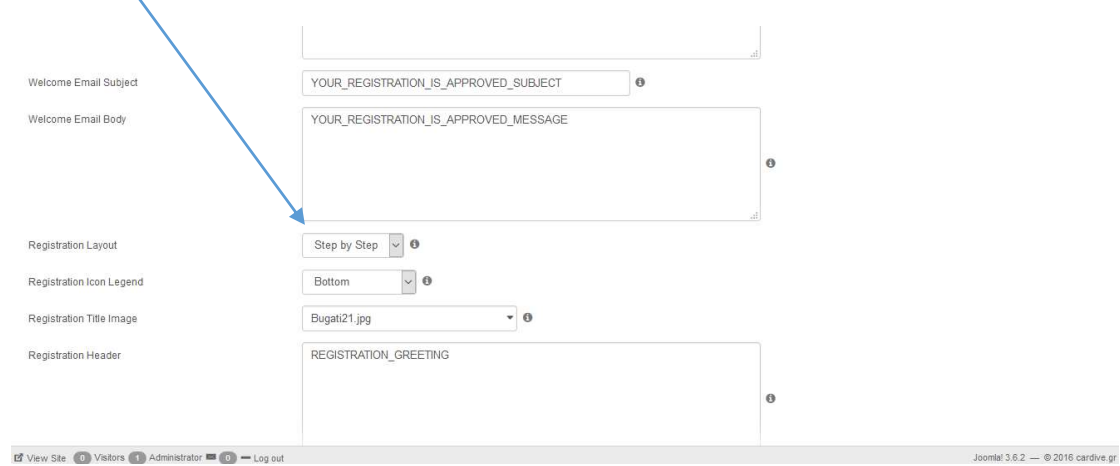

And I select a custom tab Commercial Information for the field [antispam_captcha](#)

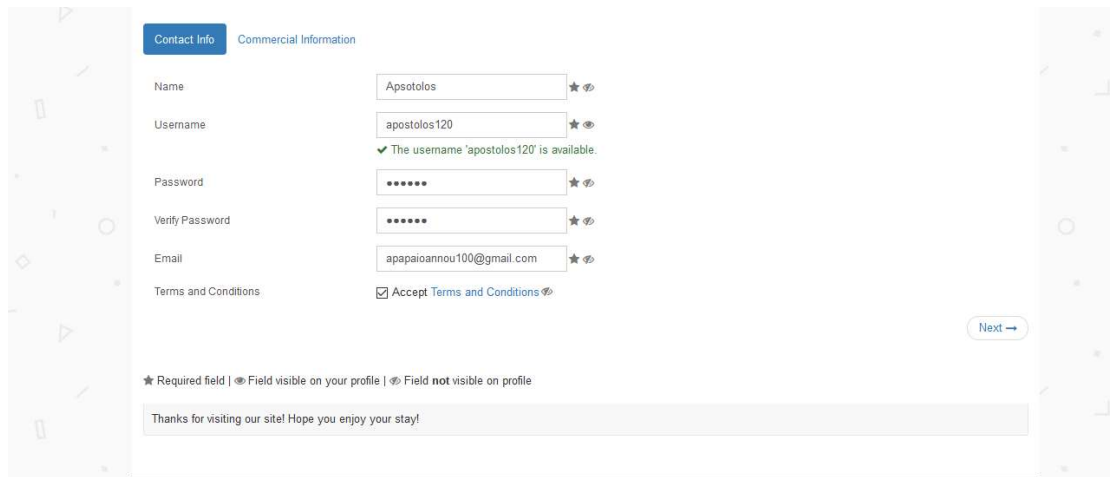

The screenshot shows the Joomla! Community Builder field configuration table. A blue arrow points to the 'antispam_captcha' field. The table lists various fields with their configurations, including the 'Commercial Info...' tab selected for 'antispam_captcha'.

#	Name	Title	Type	Tab	Required	Profile	Registration	Edit	Searchable	Published	Order	ID
1	cb_separateline	Separate line	Custom HTML	Commercial Info...	✗	✗	✓ (1 line)	✓ (1 line)	✗	✓	1	64
2	cb_distinctivetitle	Distinctive Title	Text Field	Commercial Info...	✓	✓ (1 line)	✓ (1 line)	✓ (1 line)	✗	✓	2	64
3	cb_street	Street	Text Field	Commercial Info...	✓	✓ (1 line)	✗	✓ (1 line)	✗	✓	3	65
4	cb_cd_postcode	Postcode	Text Field	Commercial Info...	✓	✓ (1 line)	✗	✓ (1 line)	✗	✓	4	66
5	cb_phone1	Phone1	Text Field	Commercial Info...	✓	✓ (1 line)	✓ (1 line)	✓ (1 line)	✗	✓	5	67
6	cb_phone2	Phone2	Text Field	Commercial Info...	✗	✓ (1 line)	✓ (1 line)	✓ (1 line)	✗	✓	6	68
7	cb_fax	Fax	Text Field	Commercial Info...	✗	✓ (1 line)	✓ (1 line)	✓ (1 line)	✗	✓	7	63
8	antispam_captcha	Captcha	Captcha	Commercial Info...	✗	✗	✓ (2 lines)	✓ (1 line)	✗	✓	8	66

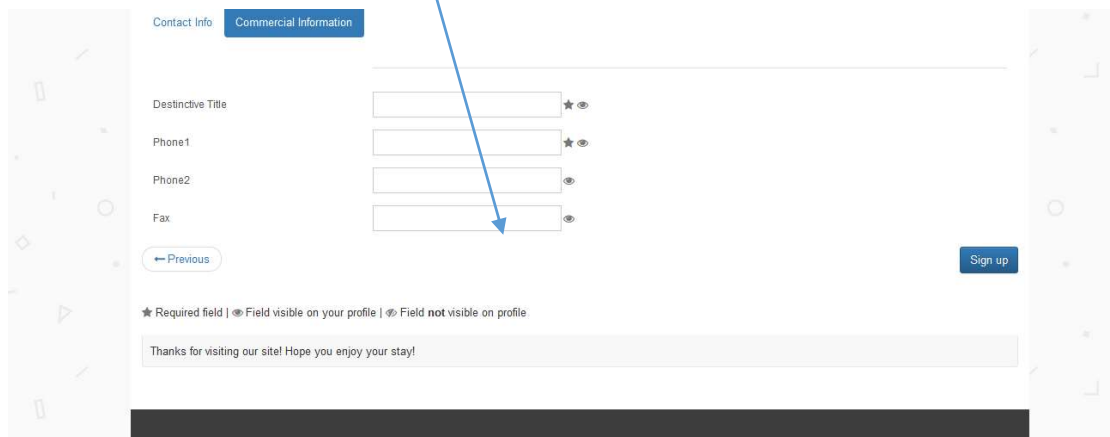

In CB Configuration → Registration Tab → In registration Layout I have select Step By Step Value.

I try to do a test registration but

the [antispam captcha](#) is nowhere.

Probably I forgot something to do.

Please could you give me any ideas?

Thanks a lot
